Orthopaedic Surgery

Shasta Henderson, M.D., Section Co-Chair
Trident Medical Center
Charleston, South Carolina

Izuchukwu Ibe, M.D., Section Co-Chair
University of Mississippi Medical Center
Jackson, Mississippi

Location: Sheraton Time Square
New York City, NY

Intended Audience: Orthopaedic Surgeons, Podiatrists, Family Practitioners, Internists, Rheumatologists, Physical Medicine & Rehabilitation Physicians, Neurosurgeons, Neurologists, Fellows, Residents, Medical Students and Allied Health Professionals.

Format: Lectures with Powerpoint presentations, Panel Discussions, Symposia, Case Reviews

Purpose: The purpose of this activity is to improve health professionals’ knowledge base, performance, competency and/or patient outcomes.

Needs Assessment: The needs assessment for this program was established through the following:

1. Review of the current literature and ‘hot topics’ in Orthopaedic surgery and musculoskeletal medicine of interest to our intended audience.
2. Review of requests from prior program evaluations.
3. Suggestions from subspecialty experts on the program committee.

Learning Objectives: Participants should be able to:

1. Discuss critical issues related to common oncologic related musculoskeletal conditions.
2. Understand indications and contraindications for spine surgical procedures.
3. Evaluate and manage lower extremity fractures.
4. Understand indications and contraindications for foot and ankle fracture surgical procedures.
5. Updates on Total Hip and Total Knee procedures.
6. Have a better understanding of complicated Orthopedic trauma cases.
Saturday August 3rd, 2024

8:00 AM – 8:15 AM       BREAKFAST (***)

8:15 AM – 8:30 AM       Welcome
                         Shasta E. Henderson, MD & Izuchukwu Ibe, MD

8:45 AM – 9:15 AM       AAOS Representative

9:30 AM – 11:30 AM      Arthroplasty Session - Moderator: Kevin Purcell MD, MPH, MS
                         Cemented versus Cementless Total Knee Arthroplasty
                         Update: Periprosthetic Fractures of the Hip
                         Tranexamic Acid in Total Knee Arthroplasty
                         Predisposing Factors for Conversion to THA After ORIF of Acetabular Fractures
                         Pre-Operative Optimization Before TJA
                         Distal Femur Replacement for Treatment of Native and Periprosthetic Distal Femur Fractures
                         Unicompartmental Knee Arthroplasty
                         The 1.5 Spacer for Prosthetic Joint Infection of Total Knee Arthroplasty

11:45 AM – 1:45 PM      Spine Session - Moderator: Addisu Mesfin M.D., Ph.D.
                         ONCOLOGY
                         THORACOLUMBAR SPINE
                         CERVICAL SPINE
                         INNOVATION: Robotic Assisted Spine Surgery

*** Lunch will be provided during the session ***
2:00 PM – 3:00 PM  *** Research Symposium Keynote Speaker

3:00 PM – 5:00 PM  *** Research Symposium: Original Papers

Moderator: Letitia Bradford, M.D., FAAOS, FACS

5:00 PM  Nth Dimensions 2023 Summer Internship Poster Review

***Nth Dimensions Scholars Lecture and Dinner TBD***
SUNDAY

August 4, 2024

9:00 AM – 10:00 AM  Leadership Panel Discussion

10:00 AM - 11:30 AM  Trauma Session - Moderator: Shasta E. Henderson, MD

Femur/hip trauma
Pelvic trauma
Ankle trauma
Upper extremity trauma
Panel discussion

11:30PM - 12:00 PM  LUNCH

12:00 PM – 1:00 PM  Sports - Moderator: TBD

1:00 PM – 2:00 PM  Foot and Ankle Session - Moderator: Brian E. Coleman, M.D

2:00 PM – 2:30 PM  Oncology Session- Moderator: Izuchukwu Ibe, M.D

2:30PM  Closing Remarks

END OF PROGRAM
