SATURDAY, AUGUST 1, 2015

Walk a Mile with a Child

7:00–8:30am - Free and open to the public

Bring your tennis shoes to convention and join your colleagues, friends, family and the Detroit community on Saturday, August 1st for the Eighth Annual Walk a Mile with a Child. This signature event is designed to motivate young and old to adopt healthy habits that include daily exercise and good lifestyle choices. Walk a Mile with a Child will culminate with prizes and a heart healthy breakfast for participants.

Opening & Awards Ceremony

6:00–7:30pm - Open to all registered attendees

The official welcome of participants to the Annual Meeting. During the opening ceremony individuals of outstanding achievement will be recognized for their contributions to the NMA and to the field of medicine. Awards to be conferred during this event are the Scrolls of Merit, Practitioner of the Year, Distinguished Service, Meritorious Achievement, and Local Society of the Year.

Evening Entertainment Event

8:00–11:00pm - Ticket purchase required

All work and no play can dull even the best of us. Sometimes you just need to experience something exciting. Join your colleagues for an evening of entertainment featuring Morris Day and Time, and the Whispers. Proceeds will help support the work of the NMA.

SUNDAY, AUGUST 2, 2015

The Council on Concerns of Women Physicians' Annual Muriel Petioni, M.D. Awards Program

12:30–2:30pm - Ticket purchase required

Honors female physicians who through research, community service, and activism, strive to eliminate health care disparities, provide people of color with quality health care and address women's health and professional issues. Past keynote speakers have included Maya Angelou, Ruby Dee, Phylicia Rashad, Angela Bassett, and Patti La Belle.

MONDAY, AUGUST 3, 2015

Medical School Alumni Dinners and Receptions

4:30–11:00pm

Please contact your individual medical school alumni associations for details.

Detroit Party & Networking Event

8:30pm

Sometimes the trick to getting anything accomplished in life is knowing the right people and there is no better way to get to know new people than to share experiences. This year our Detroit hosts will be holding a party for attendees to mingle and to get to know each other. It's going to be a blast!

TUESDAY, AUGUST 4, 2015

Presidential Installation

6:00–7:30pm - Open to all registered attendees

The formal installation of the President has become a historic NMA tradition. Witness the installation of the 116th President, Edith P. Mitchell, M.D., and the ceremonial passage of the Past President's cane. Renew your own commitment to the practice of medicine, in the NMA tradition, by taking the Oath of Imhotep with your colleagues.

President's Gala

8:00 pm–12:00 am - Ticket purchase required

This year's President's Ball will be a tribute to the 115th President of the National Medical Association, Lawrence L. Sanders, Jr, M.D. Advance ticket purchase is recommended for this sell-out event. Creative Semi-formal/Cocktail attire.

SPOUSES AND ACCOMPANYING PERSONS

of convention attendees can take advantage of an extensive array of social, recreational, and cultural activities by registering for the Auxiliary to the National Medical Association program. Please see page 31 for additional details.

Sunday, August 2, 2015 | 2:00 – 4:00 pm

HOD Session 3

Wednesday, August 5, 2015 | 1:30 – 5:30 pm

BOARD OF TRUSTEES

Thursday, August 6, 2015 | 9:00 am – 12:00 pm

SPECIAL FOCUS BUSINESS MEETINGS

Orientation Meeting for Board of Trustees, Section Chairs, HOD Officers, Section Administrators, and Executive Leadership

Friday, July 31, 2015 | 3:00 – 5:00 pm

Regional Meetings

Tuesday, August 4, 2015 | 3:00 – 5:00 pm

EXHIBIT HALL HOURS

Sunday, August 2, 2015

4:30–7:00pm

Exhibit Hall Opening Reception -
open to all registered attendees

Monday, August 3, 2015

11:00am–4:00pm

Tuesday, August 4, 2015

11:00am–4:00pm

WHO SHOULD ATTEND

The 2015 National Medical Association's Annual Convention and Scientific Assembly is planned as an educational reinforcement for practicing physicians, related health professionals, trainees and residents representing a variety of medical specialties and health professions.

FORMAT

Workshops "hands on" activities, and seminars addressing critical concerns of medical specialists will be held on Saturday and Sunday. Lectures, panels, and demonstrations will be offered throughout the week. Guest health care provider lecturers from leading institutions, National Medical Association physician experts, basic scientists, and residents and students in competition will bring to the Assembly current management of diseases confronted in today's medical practice.

PROGRAM OBJECTIVES

The scientific activity is designed to provide educational enrichment through special sessions, postgraduate courses and specialty sessions from twenty-four separate specialties. In-depth review of updated diagnostic methods and therapeutics will be discussed in an effort to prepare the participating physician for current medical practice in his/her field of specialty. Combined specialty sessions will provide opportunities for exchange of ideas and debate.

EDUCATIONAL CREDITS

The National Medical Association is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The National Medical Association designates this live activity for a maximum of 40 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Category 1 credit hour criteria will be requested of the American College of Gynecology, American Academy of Family Practice, and American Academy of Dermatology.

The following state licensing required subjects will be presented during the scientific assembly activities:

- Pain Management
- Mammography
- Practice Management
- HIV/AIDS
- Care of the Terminally Ill
- Cultural Competency

DISCLOSURE

Lecturers, panelists, and planning committee members have disclosed relationships with commercial organizations. These relationships are to be disclosed by the lecturer at the time of presentation.

Off Labeled Drugs: All speakers must acknowledge the status of drugs discussed and not approved for in-patient care.

CONTINUING ↑ MEDICAL EDUCATION

GENERAL SESSIONS

SURGEON GENERAL SUMMIT

Health of Minority Populations in the United States: Past, Present, and Future

Saturday, August 1, 2015 | 8:30am – 11:30am

Invited presenters to this symposium include the current and past US Surgeon Generals.

EDWARD C. MAZIQUE, M.D. SYMPOSIUM

Medical Education Continuum

Saturday, August 1, 2015 | 1:00pm – 3:00pm

Named in memory of NMA past president, Edward C. Mazique, M.D., this year's symposium will discuss the future of medical education across the continuum and highlights the NMA's efforts to work collaboratively to address the issue and ensure diversity. Invited participants include representatives from the Association of American Medical Colleges, American Medical Association, the University of Michigan, and Howard University.

THE PLENARY SESSION

Building a Future for Health Equity

Sunday, August 2, 2015 | 9:00am – 11:00am

The 2015 Plenary session will focus on the continuing reforms in the practice of medicine, including the transition from volume to value, equitable payment models, and building of a platform to care for people with a disproportionate burden of disease because of health care disparities.

W. MONTAGUE COBB LECTURESHIP & SYMPOSIUM

The Role of Leadership in the Elimination of Health Disparities

Sunday, August 2, 2015 | 2:00pm – 4:30pm

Presented by the W. Montague Cobb/NMA Health Institute this lectureship and symposium focuses on information and research pertaining to racial and ethnic health disparities.

Men's Health Symposium

Monday, August 3, 2015 | 7:30am – 9:00am

The 2015 Men's Health Symposium focuses on community-based strategies to impact early detection of chronic medical disease in African American and other at risk minority male populations through the lens of erectile dysfunction, testosterone deficiency, PSA testing and smoking cessation.

Oncology Joint Session

Tuesday, August 4, 2015 | 9:00am – 11:00am

This year's session is dedicated to the legacy of Dr. Jane Cook Wright and will bring together experts from the American Society of Clinical Oncology, the W. Montague Cobb/NMA Health Institute, and the National Medical Association to discuss the latest efforts to address disparities in cancer.

End of Life Symposium

Tuesday, August 4, 2015 | 1:00pm – 3:15pm

Consistent with the Institute of Medicine's September 2014 Report this session will analyze efforts to provide care for people who are nearing the end of life that is compassionate, affordable, sustainable, and of the best quality possible. The session will also highlight the importance of bringing the spiritual and medical communities together as part of the transition of care at the end of life.

Sickle Cell Symposium

Wednesday, August 5, 2015 | 8:00am – 11:00am

This symposium will discuss the latest in Sickle Cell research, screening, management, and transitioning from pediatric to adult care.

SPECIAL SESSIONS AND WORKSHOPS

Henry Ford Health System Innovations

Cancer in Women

Saturday, August 1 | 12:00 – 1:00pm

Heart Failure

Tuesday, August 4 | 9:00 – 11:00am

Transplant Issues in African Americans

Tuesday, August 4 | 3:00 pm – 4:00pm

ABIM Medical Knowledge Module: 2015 Update in Hospital Medicine*

Saturday, August 1 | 10:15am –12:15pm

ABIM Medical Knowledge Module: 2015 Update in Internal Medicine*

Saturday, August 1 | 8:00–10:00am

Addressing Diversity in Medical Specialties Disproportionally Underrepresented in Postgraduate Training Programs and the Workforce (Radiology)*

Saturday, August 1 | 9:00am–12:00pm

Advanced Cardiac Life Support (ACLS) Re-certification Course*

(E-Learning Option for Cognitive Portion with Onsite Skills Test)

Saturday, August 1 | 3:30–5:30 pm

Sunday, August 2 | 8:00 am–12:00 pm

*Please note that the fee covers only the NMA onsite skills testing, registrants are required to first complete the AHA HeartCode ACLS Part 1 online course — an additional \$120. Proof of BLS is required.

Advanced Cardiac Life Support (ACLS) Re-certification Course*

(Onsite Instructor Lead Cognitive and Skills Tests)

Saturday, August 1 | 1:00–5:30pm

Sunday, August 2 | 8:00am–12:00pm

Proof of BLS is required. Participation in both day 1 and day 2 mandatory.

*Requires additional registration –see registration form on page 22 for details.

Asthma Management: A Comprehensive Update for Allergists, Pediatricians, and Family Medicine Practitioners

(Qualifies for MOC Part 2 for Allergists and Pediatricians, Family Medicine CME Only)*

Saturday, August 1 | 8:00am–12:00pm

Balloon Sinuplasty Cadaver Lab (Otolaryngology)

Monday, August 3 | 9:00–11:00am

Fees waived, advance registration required.

Basic Life Support (BLS) for Providers*

Saturday, August 1 | 8:00am–12:30pm

Elizabeth A. Patterson, M.D. Breast Imaging Symposium (Radiology Section)*

Monday, August 3 | 7:30am–1:00pm

Healing for the Healer through Mindfulness Workshop An Innovative Evidenced Based Approach to Stress Reduction (Women's Health)*

Saturday, August 1 | 8:00am–12:30pm

NIH-NMA Fellows' Academic Career Development Program

Saturday, August 1 | 8:00am–5:00pm

Sunday, August 2 | 8:00am–5:00pm

Imaging and Women's Health (OB-GYN)*

Saturday, August 1 | 8:00am–12:00pm

Laparoscopic Simulation and Suturing Course (General Surgery)*

Saturday, August 1 | 7:30am–12:30pm

Pediatric Advanced Life Support (PALS)*

Saturday, August 1 | 7:30am–4:30pm

Proof of BLS is required.

The Benefits of Moving to the ICD-10 Code Sets: A Workshop for the Internist

Saturday, August 1 | 6:00pm–8:00pm

*Requires additional registration – see registration form on page 22 for details.

SCIENTIFIC SESSIONS

Hours for
the Scientific
Sessions are:

7:00am–5:30pm
Sat., Aug. 1–
Wed., Aug 5.

AEROSPACE & MILITARY MEDICINE

To Be Announced

ALLERGY, ASTHMA, & IMMUNOLOGY

Saturday, August 1, 2015

**Asthma Management: A Comprehensive Update
for Allergists, Pediatricians, and Family Medicine
Practitioners** (Combined Session with Allergy, Asthma
and Allergy, and Family Medicine Sections)

Pulmonology Symposium

Treatment of COPD in Underserved Communities

Edward C. Mazique Symposium

Sunday, August 2, 2015

The Plenary Session

Monday, August 3, 2015

Men's Health Symposium

Tuesday, August 4, 2015

Floyd Malveaux Symposium

Wednesday, August 5, 2015

AAI and Dermatology Combined Session

ANESTHESIOLOGY

Saturday, August 1, 2015

Edward C. Mazique Symposium

Sunday, August 2, 2015

The Plenary Session

**Council on the Concern of Women Physicians
Luncheon** (additional registration required)

American Society of Anesthesiologists Update

Monday, August 3, 2015

NMA Plenary on Men's Health

Pain Symposium (Combined Session with Neurology,
Anesthesiology, Psychiatry, and Physical Medicine and
Rehabilitation)

Updates in Anesthesia

Section Business Meeting

Tuesday, August 4, 2015

Airway Workshop (Combined Session with Otolaryngology)

Trauma Symposium (Combined Session with General Surgery)

Concurrent Program NMA Plenary on End of Life Issues

Wednesday, August 5, 2015

NMA Plenary on Sickle Cell Disease

BASIC SCIENCE

To Be Announced

COMMUNITY MEDICINE & PUBLIC HEALTH

Saturday, August 1, 2015

Edward C. Mazique, M.D. Symposium

Opening and Awards Ceremony

House of Delegates

Sunday, August 2, 2015

The Plenary Session

Council on Concerns of Women in Medicine Luncheon (additional registration required)

W. Montague Cobb Lectureship and Symposium

House of Delegates

Monday, August 3, 2015

Men's Health Symposium

Rosalyn Payne Epps, M.D. Symposium Part I - Communities in Crisis: Racial Disparities in Health Status, Healthcare and In Health Injustices

- New Directions in Minority Health, Health Disparities Research
- Health Equity in Michigan: A Tool Kit for Action
- National Library of Medicine Computer Laptop Workshop: Online Resources that Support Mental Health

Rosalyn Payne Epps, M.D. Symposium Part II

(Combined Session Family Medicine, Psychiatry, Emergency Medicine, and Physician Executives) : **Communities in Crisis: Mental Health in Communities of Color: An Overview, What Have We Learned – What are We Learning?**

- The State of Mental Health and Behavioral Health in Michigan, Policy, Advocacy and Education
- Cultural Competency in Mental Services / Providing Cultural Competent Healthcare
- Stigma and Its' Impact in Mental Health and Health Outcomes

Tuesday, August 4, 2015

Vernal G. Cave, M.D. Symposium Part I

- Stem Cell Research / Regenerative Medicine
- The Psychology of Organ Transplant

Vernal G. Cave, M.D. Symposium Part II: Spirituality and Medicine

- End of Life Symposium

Wednesday, August 5, 2015

Sickle Cell Disease

Satcher Health Leadership Institute

CMPH Business Meeting

DERMATOLOGY

Saturday, August 1, 2015

Surgeon General Summit

Combined Session with Radiology

- Radiation Oncology
- Dermatology – Diversity in Specialties
- Radiology Lecture

Edward C. Mazique, M.D. Symposium

Sunday, August 2, 2015

Practice Management and Careers in Dermatology

- Diversity in the Workplace and Working in a Multidisciplinary Practice
- The Transition from Medicine to Business

- ICD-10 Readiness and Updates
- Outsourced Billing Options Specific to the Dermatology Practice and your EMR

John A. Kenney, Jr., MD Resident Symposium

Annual Dermatology Reception

Monday, August 3, 2015

Men's Health Symposium

Paul Kelly, MD Medical Research in Dermatology Symposium

Dermatology and Pediatrics

- Atopic Dermatitis
- Cystic Acne and Hyperpigmentation Therapeutics in Skin of Color
- Fungal Infections (Nails, Diaper Rash)
- Health Implications of Tattoos and Piercings

Basic Science Dermatology

American Academy of Dermatology (AAD) Presidential Updates, MOC

Hair Symposium

- Hair Disorders seen in African Americans, workup up and treatment update
- Hair and Scalp Disorders Mainly Affecting Men of Color
- Hair Transplantation in the Surgical Approaches for Hair Loss for African American Women

Tuesday, August 4, 2015

Dermatology Updates Potpourri

History of African American Dermatologists

Teledermatology

Psoriasis, Metabolic Syndrome and Biologic Medication use in Dermatology

Cosmetic Dermatology (Cool Sculpture) in Ethnic Skin

Dermatology Business Meeting

Harold E. Pierce, Jr., M.D. Surgical Symposium

Dermatology and Plastic Surgery

- Surgical Management of Keloids

- Dermatologic Surgical Update
- Cosmetic Surgery Update
- Cosmetic Vein Treatment

Health Disparities in Melanoma

Wednesday, August 5, 2015

Dermatology and Allergy and Immunology

- Dermatologists Approach to Allergic Reactions
- Patch Testing in Skin of Color Patients
- Food Allergies, Sublingual Immunotherapy and Chronic Idiopathic Urticaria
- Biologic Medication Use in Allergic Conditions

EMERGENCY MEDICINE

Saturday, August 1, 2015

Oral Abstracts Forum

The Edward C. Mazique Symposium

Sunday, August 2, 2015

The Plenary Session

Georges Benjamin Research Symposium

- Building an Academic Career
- Mentorship: Developing Strategic Mentoring Networks & Effective Relationships
- You Won't Get There If You Don't Know Where You're Going: Panel Discussion on Lessons Learned from Personal Academic Success & Pitfalls
- Enhancing Your Speaking Skills in Any Forum
- Resident Scientific Presentations

Monday, August 3, 2015

Emergency Department Administration

- Winning Strategies with the C Suite & the Board: Improving Your Effectiveness as a Medical Director
- How Emergency Department Operations Affect Financial Outcomes
- Navigating the Roadmap to Value in Health Care Delivery
- Choose Wisely

- Address from ACEP President
- Address from AAEM President

Wait A Minute. What's New? Clinical Updates

- Unnecessary Death & Disability: Findings & Recommendations from the IOM Committee on Treatment of Cardiac Arrest
- Pitfalls in Managing ICU Patients Held in the ED

TRAVEL INFORMATION

AIRLINE DISCOUNTS

The National Medical Association is pleased to offer discounted airfare programs on two carriers, Delta and United. Detroit is also served by a number of other airlines, including American Jet Blue, Frontier, Southwest, US Airways and Air Canada. However, NMA does not have a discounted fare agreement on these carriers.

Delta is offering a discount from July 29 – August 8, 2015. Reservations and ticketing are available via www.delta.com. When booking online, select “Book a Trip,” click on “Advanced Search,” and enter meeting code NML7J in the box provided on the “Search Flights” page.

You may also reserve tickets by calling Delta Meeting Network Reservations at 800-328-1111. Please note that a direct ticketing charge will apply for booking by phone.

Delta Booking Class	Percentage Discount
F / G / J / C / D / Y / A / P / I	10%
B / M / S / H / Q / K / L	5%
U / T / V / X	2%

United is offering a discount from July 29-August 8, 2015. You may book online at www.united.com and enter your Offer Code ZUND904332 in the Offer Code box when searching for your flights.

If booking through a travel professional or United Meetings at 800-426-1122, please provide the following information: Agreement Code: 904332; Z Code: ZUND. For all tickets issued through the United Meetings Reservations Desk, there will be a \$25 per ticket service fee.

United Booking Class	Percentage Discount
F/J/Y	10%
C/A/B/M/E/U/H	5%
D/Z/P/Q/V/W/S/T/L/K/G/N	2%

AIRPORT

The Detroit Metropolitan Airport (DTW) is located approximately 20 miles from NMA’s headquarters hotel, the Marriott Renaissance Center. Depending on the time of day, minimum travel time is estimated to be 20-30 minutes. During heavy traffic times, travel may take anywhere from 35 to 45 minutes.

AIRPORT TRANSFERS/SHUTTLE

SKOOT Detroit is the preferred shuttle service to and from Detroit Metro Airport. It offers service from/to the airport and downtown hotels (including the NMA headquarters hotel, the Detroit Marriott Renaissance Center), as well as to Cobo Hall.

To make your shuttle reservation visit SKOOT online at www.rideskoot.com or by phone, call the toll-free number: 855-937-5668 or 313-230-2331. Reservations are highly recommended, although walk-ups are available. Use coupon code NMADET15 for a \$2.00 discount off your round-trip ticket. Prices quoted are current and are subject to change.

From Detroit Metro Airport to Marriott Renaissance Center

Departs every 20 minutes, 8:00am – 10:00pm
\$23 per person

From Marriott Renaissance Center to Detroit Metro Airport

Departs every 90 minutes, 4:00am – 10:00pm
\$20 per person

DETROIT PEOPLE MOVER

The Detroit People Mover, is a quick, safe, and effective means of transportation between the host hotel and the Cobo Center. People Mover trains arrive every 3-4 minutes to deliver patrons in climate-controlled comfort. Handicap accessibility is available via elevators and escalators at stations. Attendees may purchase a “Fast Pass” which allows unlimited rides on the Detroit People Mover for five consecutive days, Aug. 1–5, 2015. Fast Pass orders are available online through July 17 and by telephone through noon, Friday July 31.

Station Locations:

- Detroit Marriott Renaissance Center (host hotel) - Tower 200, Level 2
- Cobo Conference/Exhibition Center - Third Floor near Congress Street

For additional information visit www.thepeoplemover.com.

VEHICLE RENTAL

You can save up to 25% off your next car rental while experiencing the comfort and reliability that come with renting from Avis. With 4,800 locations in over 140 countries, there’s always an Avis nearby to help you with your car rental needs. To rent a car, visit www.Avis.com or call 800-331-1212 and remember to use the Avis discount number B291090 to enjoy these special savings.

Budget Car and Truck Discounts

Make your budget go further by getting a great deal on a great car from Budget. As a NMA member, you’ll get an amazing deal every time you rent — up to 20% off Budget’s great rates. To book your car, visit www.Budget.com or call 800-527-0700 and mention the National Medical Association BCD number: R198190 to receive your discount. Make the smart choice, rent Budget and start saving today!

VISIT DETROIT

The complete Detroit experience consists of events and attractions in the realms of cars, culture, gaming, music and sports. With new developments, tasty eats and nationally recognized entertainment options that stun crowds unlike any other region, we think you’ll find that Detroit is a culturally remarkable city that you just can’t get enough of.

There’s so much to see and do in Detroit that it’s hard to narrow the list. To help you plan ahead, please visit www.visitdetroit.com/nma2015.

Kama`aina Kids has worked with the NMA convention planners to develop a program that is both convenient for parents and memorable for campers. The preliminary program activities have been carefully selected with the goal of providing a wide range of age-appropriate, educational, social and cultural experiences unique to Detroit, MI. The following activity descriptions detail the Camp. Activities are subject to change due to availability in August 2015.

Registration is not complete until they parent fills out the registration form and emails it to nma@kamaainakids.com or faxes it to 808-261-0268.

GREENFIELD VILLAGE takes you back to a time when American innovation was speedily and permanently changing the world in which we live. This was a time when bold pioneers of science, industry and social issues were making the world a better place. Henry Ford founded this village, the largest museum complex in the nation, to preserve history and the great advancements of his day. Significant buildings include the Wright's bicycle shop; the home of Noah Webster, where he wrote his first dictionary; a replica of Thomas Edison's Menlo Park laboratory; and the Illinois courthouse where Abraham Lincoln first practiced law. Visitors can also take a ride in a horse-drawn omnibus, a Ford Model T, a steam locomotive or a historic 1913 Herschell-Spillman Carousel!

The **DETROIT PUPPETART CENTER'S** rich, multicultural productions are known for having an eye for detail that should offer plenty to appreciate for kids and adults. The theatre's core is composed of artists classically trained in Russian puppeteering. The theater designs and manufactures all puppets in house, and composes music for its productions as well. They will present us with Kolobok, a song-filled Russian version of The Gingerbread Man play.

DIAMOND JACK'S RIVER TOURS offers a 1.5 hour narrated boat tour that is educational, historical and fun. This ride offers a unique and close-up look at some of Detroit's most iconic landmarks. Detroit was once dubbed the "Paris of the West" for its exceptionally beautiful architecture, such as the Renaissance Center, Ambassador Bridge, Fort Wayne and J.W. Westcott Floating Post Office. In addition, we'll see 16 miles of U.S and Canada Detroit River shoreline, ocean-going and Great Lakes ships, a light house, ship terminals, a mail boat and much more.

The **GM RENAISSANCE CENTER TOUR** is a one-hour tour taking visitors through the landmark GM Renaissance Center and outlines the rich history that General Motors shares with the city of Detroit. Tour highlights include

the Wintergarden, a tropical atrium overlooking Detroit River; GM Showroom, an eclectic display of vintage, new model and concept vehicles; Borealis Glass Sculpture, the tallest vertical glass sculpture in the world; and a glass elevator ride to the 72nd floor for a breathtaking view of the Detroit and Windsor skylines.

PROJECT SUN is an annual event conducted by the Auxiliary to the National Medical Association (ANMA) for youth, ages nine and up.

The Department of Natural Resources' **OUTDOOR ADVENTURE CENTER** will allow people to experience things not typically found in an urban setting – snowmobile and off-road driving simulations, faux-piloting an environmental reconnaissance Cessna, kayaking some of the state's winding rivers, reeling in a bluegill or steelhead, and hunching into a deer blind with a rifle. The 50,000 square-foot building in the heart of Detroit will house interactive exhibits that will teach people about being good stewards of the natural resources, while encouraging them to get out and play.

KAREN CZARNIK is a storyteller, singer songwriter and musician, whose unique performances combine music and stories to teach, engage, encourage and tickle to the funny bone. Her collaboration of characters and tale reveal colorful images in the minds of listeners. Karen's music, voice and stories inspire audiences of all ages.

The **FORD FOOTBALL FIELD TOUR** will give us a behind-the-scenes glimpse of Detroit's crown jewel and the home of the Detroit Lions, Super Bowl XL and the 2009 NCAA Men's Basketball Final Four. This indoor stadium represents Detroit's history and its future in a single venue, integrating the stadium into the historical old Hudson's warehouse built in the 1920s. We'll get a peek at a Ford Field suite, an NFL locker room, walk down the tunnel to the field and stand on the turf for a player's view of the stadium.

DETROIT ZOO features 125 acres of naturalistic exhibits with 1300 mammals, birds, reptiles, amphibians, fish and invertebrates of 250 different species. This zoo was the first in the United States to use open natural exhibits. The Arctic Ring of Life exhibit takes visitors on a trek to the North Pole, Australian Outback Adventure lets us view red kangaroos and wallabies and Penguinarium is the first exhibit in the country designed specifically for penguins.

DYNAMIKE “THE MICHIGAN KID’S MASTER MAGICIAN” has been performing comedy magic acts throughout Michigan for over 30 years. He has performed in many venues from festivals to television shows to the White House. Kids enjoy watching Dynamike and his exciting, engaging comedy magic acts.

Experience a **DETROIT TIGERS BASEBALL GAME** at Comerica Park! We will cheer for the Tigers in a home game against the Kansas City Royals. Nearly every seat in the main grandstand has an excellent view of downtown Detroit. In centerfield are several fountains that produce liquid fireworks every time a homerun is hit.

The **MICHIGAN SCIENCE CENTER** is a unique, fun and dynamic hands-on museum, offering programs that inspire children and their families to discover, explore and appreciate science, technology and math in a fun, dynamic learning environment. Through an interactive approach to science with engaging, hands-on exhibits, shows and activities, MiSci strives to help launch the next generation of Michigan’s engineers, scientists and innovators, and significantly impact the cultural and economic renewal of Detroit and Michigan.

The **CHARLES H. WRIGHT MUSEUM OF AFRICAN AMERICAN HISTORY** is the world’s largest institution dedicated to the African American experience, with a mission to open minds and change lives through the exploration and celebration of African American history and culture. It houses over 35,000 artifacts and archival materials and is home to the Blanche Coggin Underground Railroad Collection, Harriet Tubman Museum Collection, Coleman A. Young Collection and the Sheffield Collection, a repository of documents of the labor movement in Detroit.

MAD SCIENCE DETROIT is on a mission to spark the imagination and curiosity of children by providing them with fun, interactive and educational programs that instill a clear understanding of what science is and how it affects their world. Spectacular science-themed shows are designed to amaze and entertain audiences. Children learn about science when they see foggy dry ice storms, float on a Mad Science hovercraft, watch a foam factory at work, discover Bernoulli’s principle, make magic mud, alter sound waves and so much more!

The **CAMP NMA-ZING TALENT COMPETITION** gives our young stars a chance to shine. Groups will practice a song, dance, skit or other talent to perform for our live audience of their peers and our staff judges!

The **CAMP NMA-ZING TEEN DANCE**, for ages 12 and up, is an on-site dance party for youth to unwind, express imagination and artistry, and celebrate with their friends. A live DJ, lighting effects, dance contests and more will make this last evening of camp one to remember.

DAILY SCHEDULE

The NMA has contracted Kama`aina Kids, Hawai`i's Enrichment and Education Professionals, to conduct a fun-filled, enriching program for youth of attendees of the NMA Convention and Scientific Assembly. The four-day Camp NMA-Zing program consists of day and evening sessions. Our chaperone-to-youth ratios ensure that participants receive safe, professional care. Program fees include: qualified chaperones certified in first aid and CPR; transportation; admissions; daily lunches; four t-shirts; and insurance. Each day, parents must drop off child at 8:30am, pick up child at 4:00pm, provide dinner for child, drop child off at 6:00pm and pick up child at 9:30pm. Program takes place at Detroit Marriott at the Renaissance Center. Activities may be subject to change.

Medical Conditions

Our child(ren) has/have the following medical conditions/allergies and/or language and/or special needs: (please attach additional paper if necessary). Kama`aina Kids will contact you if necessary. Please note that youth who have fever will not be accepted in the program.

Allergies/ Food Preference:

Waiver & Release

I/We, the undersigned parent(s)/guardian(s), in consideration of the contracted youth program services ("Kamaaina Kids") providing child care for our child(ren)/ ward(s), named above, for the National Medical Association's Convention ("the Association") in Detroit MI, August 2-5, 2015, as designated below, do for myself/ourselves, my/our heirs, executors, administrators and assignees, hereby release and discharge demands, actions, causes of action, or suits of any kind or nature whatsoever, which may arise from my/our child(ren)'s participation in the youth program, except for gross negligence or willful misconduct on the part of Kama`aina Kids or the Association's officers, directors, employees or agents. Furthermore, I/we agree to indemnify and to hold Kama`aina Kids & the Association harmless against loss from any and all claims, demands, damages, actions, causes of action, or suits of any kind or nature whatsoever, that may hereafter be made or brought by my/our child(ren)/ ward(s) or by anyone on his/her/their behalf and I/we waive any and all rights of exemption under any federal and/or state laws against all such claims. I/We give my child(ren)/ward(s) permission to attend and participate in the activities conducted by Kama`aina Kids during the NMA Convention. These activities may include, but are not limited to aquatics, off-property excursions, van/bus transportation, and enrichment activities. I/We authorize the Association & Kama`aina Kids to use my child's name and video or photograph at any time and in any manner in connection with its advertising, publicity, and public relations program. The video/photo may only be used by Kama`aina Kids or Association. No further claims will be made by me/us. Discipline is used to assure the safety and well-being of all program participants. All participants are expected to respect themselves, other people and their property. If a participant is not following the guidelines of the NMA youth program staff consistent with these expectations, the parent(s)/guardian(s) will be notified that the participant may not be included in further programs. I/We hereby authorize the organization providing child care and its employees to exercise these discipline policies in regard to my child. I/We understand that there will be no refunds for the youth program once payment is made.

I/We have read the above and understand this release. Furthermore, in the event of an emergency, the organization providing child care has my/our permission to administer first aid or obtain emergency medical treatment in our child's best interest. I/We agree to pay all expenses incurred due to an emergency involving our child.

Ticket requests for Social Events should be mailed to: ANMA, Inc., 8403 Colesville Road, Suite 820, Silver Spring, MD 20910. For more information visit www.anmanet.org. Prices, times and events are subject to change.

ANMA EVENT DESCRIPTIONS

PINE KNOB GOLF COURSE

For years, golf enthusiasts from all over Michigan have made The Knob Golf Course a “must play” track. Perhaps it’s the beautiful championship layout featuring scenic views along a rolling terrain with dramatic elevation changes from tee to green with country club conditioning. Maybe it’s the award-winning course designer, Dan Pohl, who has continually updated greens, bunkers and general course layout to make it a better golf experience in recent years. Consistent high quality and attention is paid to the details like landscaping and service. The course includes 27 holes of championship golf that wind through lakes, woods and many scenic elevation changes with three distinctive nines to choose from: The Eagle, The Falcon, and The Hawk. The first tee-box on the Eagle course is the highest elevation in Oakland County, giving a player an amazing view, up to 30 miles away on a clear day! Pine Knob has been rated 4 stars out of five by Golf Digest Places to Play.

EDSEL & ELEANOR FORD HOUSE TOUR

It appears large, but does not seem imposing. Despite its size (30,000 square feet with sixty rooms), the estate has the unpretentious look of a quaint manor from the Cotswold Hills of England. Construction on the home began in 1926, not long after the Fords commissioned Albert Kahn to design their ideal residence.

Though intimate, the estate is quite grand. The ceilings in many rooms are adorned with plaster fleur de lis details, the walls paneled with ornate linen fold wood from England, there are French wrought crystal chandeliers hanging; the number of

intricate details in each room is (at times) overwhelming. This is especially evident on the first floor of the home. Among the rooms on the first floor are the art gallery, the drawing room, the library, the morning room and the dining room. Imagine the large kitchen area connecting to three different rooms, the flower room, the game room, and Edsel’s study.

Though the house originally cost 3.2 million dollars to build, replacing this stone roof ten years ago cost 3 million dollars alone and took three years to complete. The difference of the times is evident in the cost of the house, and is also noticeable in many facets of the home.

Experience the story of the Ford family in this historic mansion rich with art and antiques spanning the centuries. Situated along Lake St. Clair, the estate stands amid 87 acres of beautifully landscaped gardens and grounds. Highlights include visiting the enchanting playhouse and viewing Mr. and Mrs. Ford’s personal cars. **Lunch included.**

MOTOWN MUSEUM & MUSEUM OF AFRICAN AMERICAN HISTORY TOUR

Despite the passage of time since Motown Records’ establishment in 1959 by Berry Gordy, tens of thousands of visitors pass through Hitsville U.S.A., home to the Motown Museum, each year. Their presence is a testimony to Motown’s legacy and to the charisma, talent and staying power of the music and those who made it.

The Motown Museum, which was founded by Esther Gordy Edwards in 1985, is one of Southeast Michigan’s most popular tourist destinations. Visitors come from across America and throughout the world to stand in Studio A, where their favorite artists and groups recorded

much-loved music, and to view the restored upper flat where Berry Gordy lived with his young family during the company's earliest days. The Motown Museum is home to an extensive array of Motown artifacts, photographs and other memorabilia. The Motown Museum tells the story of how a man's vision turned into one of the largest, most successful record companies of all time and how the music – the Motown Sound – captured the hearts of young people, not only in America, but across the globe.

THE CHARLES H. WRIGHT MUSEUM OF AFRICAN AMERICAN HISTORY

The world's largest institution dedicated to the African American experience. Dr. Charles Wright, an obstetrician and gynecologist, envisioned an institution to preserve Black history after visiting a memorial to Danish World War II heroes in Denmark. As a result of this visit, he was convinced that African Americans needed a similar resource center to document, preserve and educate the public on their history, life and culture. The Wright Museum houses over 35,000 artifacts and archival materials and is home to the Blanche Coggin Underground Railroad Collection, Harriet Tubman Museum Collection, Coleman A. Young Collection and the Sheffield Collection, a repository of documents of the labor movement in Detroit. The museum also features: Maya Angelou's *And Still We Rise: Our Journey through African American History and Culture*, the museum's 22,000 square foot, interactive core exhibit.

ANMA PRESIDENT'S CRUISE

Don't MISS the boat! Cruise the great waters of Michigan for 2-3 hours, journeying from Hart Plaza past the Ambassador Bridge, just past to Belle Isle, and back to the dock – stunning historic landmarks of Detroit, Michigan. During the Detroit Princess moonlight cruise and dinner auxiliaries, friends and spouses will enjoy a Motown

Memories show, dancing to the Motown melodies while enjoying additional views of the Detroit and Windsor Canada skyline. Lake Michigan is one of the five Great Lakes of North America, and the only one located entirely within the United States. It is bounded, from west to east, by the U.S. states of Wisconsin, Illinois, Indiana and Michigan. The word "Michigan" was originally used to refer to the lake itself, and is believed to come from the Ojibwa Indian word *mishigami*, meaning "great water."

FORD ROUGE FACTORY TOUR

The Ford Rouge Factory Tour, a joint partnership between The Henry Ford and Ford Motor Company, offers visitors the opportunity to tour the rich history of the Rouge, the birthplace of the Model A, the V-8, Mustang and the Thunderbird while bearing witness to the future of manufacturing through the assembly of the new F-150. The Henry Rouge Factory opened in 1929 as a school and was driven by Ford's belief that the genius of the American people was not being taught in textbooks. Today, The Henry Ford Factory, in Dearborn, Michigan, is an internationally-recognized cultural destination that brings the past forward by immersing visitors in the stories of ingenuity, resourcefulness and innovation that helped shape America. This national historic landmark has five unique venue attractions: Thomas Edison's Menlo Park Laboratory, The Wright Brothers' Home & Bicycle Shop, Buckminster Fuller's Dymaxion House, one of Steve Jobs' and Steve Wozniak's 1976 Apple-1 computers and Henry Ford's Quadricycle. These five distinct attractions at The Henry Ford captivate and inspire more than 1.6 million visitors annually.

HENRY FORD MUSEUM

Henry Ford Museum showcases the American ideas and innovations, technological and social, that have fired our imaginations and changed our lives. Here, visitors

explore the first 40 years of flight, browse through the world's premier automotive collection, walk past an array of presidential limousines including the one in which John F. Kennedy was assassinated and see an unparalleled collection of artifacts representing powerful change such as the bus on which Rosa Parks took a stand for Civil Rights, the camp bed George Washington used during his tour of Revolutionary War sites and the chair in which Abraham Lincoln was sitting the night he was shot.

Kennedy's Limousine

Rosa Parks' historic moment

DETROIT INSTITUTE OF ART

The Detroit Institute of Art (DIA) has been a beacon of culture for the Detroit area for well over a century. Founded in 1885, the museum was originally located on Jefferson Avenue, but, due to its rapidly expanding collection, moved to a larger site on Woodward Avenue in 1927. The new Beaux-Arts building, designed by Paul Cret, was immediately referred to as the "temple of art." Two wings were added in the 1960s and 1970s, and a major renovation and expansion that began in 1999 was completed in 2007. The DIA building measures 600,000 square feet. Completion of the museum's renovation and expansion project will add another 77,000 square feet. The Detroit Institute of Art's collection is among the top six in the United States.
